

## Call Constables, JPs In Probe of Spending

Constables and justices of the peace in Hancock County are to be summoned before the board of supervisors at its meeting Monday as county officials move to probe spending from the general fund.

The request for their appearance came at last Monday's session when it was announced the general fund was overdrawn \$500 and \$20,000 was borrowed from the road and bridge bond fund to cover warrants and meet current expenses.

After checking expenses of Circuit court and justice of the peace trials members agreed that expenses had to be cut if general fund expenses were to be kept within the budget limits. The check revealed that in some instances one arrest resulted in three charges and three trials resulting in triple fees.

Clerk Claiborne J. Ladner is to prepare a list of all arrests that resulted in more than one trial.

It was decided that all expenses paid out of the general fund would have to be reduced to within the limits of the budget including the cost of operating Circuit Court which, they said, included more than \$3,000 in sheriff fees and close to \$800 in clerk fees. Members questioned the necessity of five riding deputies instead of two which had been approved by Judge Leslie B. Grant and District Attorney Boyce Holloman. It was agreed to ask the judge's cooperation in keeping expenses down at the next term.

A bill from Mississippi Road Supply Co. for \$4,000 for repairs to a 1950 gallon road machine was rejected by President R. G. Hubbard because, he said, the machine was unsatisfactory.

Hubbard said he had talked to a representative of the company, who said he would stand behind the machine; that it cost the county \$22,000, is only two years old and has broken down repeatedly; that even after the \$4,000 repair job it broke down again.

Final payment to Perrillat-Rickey Construction Co. of \$5,000 was approved and because federal funds have not yet been received it was necessary to transfer \$5,000 from the seawall fund to the hospital building fund, Hubbard said there would be about \$7,000 left in the fund after the federal refund was received.

Payment of \$18,219 to Allied Equipment, Inc. for a motor grader was approved, bid having been accepted at a previous meeting. Because the Shallow Oil Co. (Cont. on Page 7.)

## New Street Lights Due In Waveland

Waveland Town Council Tuesday night gave approval to requests submitted since Jan. 3 for nine new street lights as part of its 30-new lights program for fiscal 1961. The work includes two approved in April but not yet installed.

The lights were asked for Fink, Farrar, Sandy and Price Streets, the intersection of Meadow Lane and Margie Street, Sears Avenue between Beach Blvd. and Piney Ridge Road, Beach Blvd. and two on Jeff Davis Avenue, at Laurie Street and adjacent to the water tower. Able O'Conor, general manager of Gulf Paving Inc., appeared to question the fee asked by Norton Haas Jr., local engineer, to inspect four miles of road constructed by Gulf Paving in 1957 and not yet accepted by the town.

Haas had given a price of \$550 to examine the roads and determine what work, if any, must be done to bring them up to specifications of the original construction contract. He is to have the roads measured and marked off at 100 feet intervals, evaluate a report to be made by a laboratory team, submit recommendations to council, and see that the new work is done according to his recommendations.

O'Conor, who offered to repair the streets and re-seal the entire four miles rather than wait for the lab report and engineer's study, agreed to go ahead with the original plan when Haas guaranteed that the cost will definitely not exceed \$550. O'Conor's company is to pay for the cost of the engineer as well as the lab's work.

Council rejected a proposal from William J. Dawson of Dawson, Gilbert and Pilcher Inc., consulting engineers of Baton Rouge, La., that the town apply for federal funds to make a sewerage cost and feasibility survey.

Dawson said Waveland can apply for the funds for the study to be paid back from a sewerage bond issue if it decides to go ahead on the project after the survey. Should it decide not to proceed the money does not have to be returned.

Mayor Garfield Ladner and Alderman Dominick Sonier declared Waveland could not pay for a sewerage system now, saying it would be too great a burden for the small population. Alderman Sonier said the town is growing so fast that the survey, if made now anyway, would be obsolete by the time the town is ready for such a project. (Cont. on Page 6.)

## Public View Sought On 2 City Projects

DISCUSS WORKS PROPOSAL - William E. Johnson, standing, consulting engineer, reports on the proposed Bay St. Louis water works and sewerage system at a meeting of civic and business leaders Thursday.

## Grave Need Blaize Ave. Lights For Blood At Drawing Occupy City Council

Lights, street variety, were a major concern of the Bay St. Louis Commission Council at its regular meeting Monday. Last week several businessmen from the area across from the L and N station (Blaize Ave.), asked for additional lighting.

At present there are street lights at the intersections of Blaize Ave. and Booker and at Keller and Blaize. The caution lights at the Keller and Booker intersections that had been requested were not yet authorized, but a new street light was. The street light will be installed after a technical report on location is received from Mississippi Power Co. Homer Gregory, local head of the company, promised a quick report.

## Mayor Would Form Unit of Miss. Greys

Mayor John A. Scaife told the Hancock County Chamber of Commerce board Monday he would like to have a uniformed unit of the Mississippi Greys organized here to participate in the observance of the Mississippi Civil War Centennial.

He told the chamber of various plans for the observance of the centennial from 1961 through 1965, which is expected to bring millions of people to the South to visit various historic sites and attend scheduled events.

## Youth Is Sentenced In Assault of Cop

Frank Schoonmaker, 19-year old Bay St. Louis resident, was given a two-year suspended sentence by Circuit Judge Leslie B. Grant last week before closing the term Friday. He pleaded guilty to charges of grand larceny and assault and battery with intent to kill.

The case was based on an alleged altercation with City Policeman Julius Webre March 26, 1959. Schoonmaker allegedly having taken Webre's pistol and attempted to fire it at him. A true bill was returned by the September, 1959, grand jury but trial of the case was delayed because of illness of his attorney, Robert Genin. He had posted a \$3,000 bond.

Frank Ellis of Bay St. Louis was fined \$100 and all costs after charges were reduced from grand to petty larceny and was found guilty as charged by a 12-man jury. He was alleged to have taken 11 crab traps belonging to Lloyd Ladner and valued at \$33. He had previously been sentenced by JP Nellus Rhodes to 10 days in jail and \$25 fine. He was committed to the custody of the sheriff until the \$100 fine is paid. Jurors were W. A. Alsbrook, W. L. Anderson, Manuel Haas, (Cont. on Page 7.)

Mayor John A. Scaife called on all civic minded persons last Thursday to join in the big job of selling the Bay St. Louis public on the need and desirability of the proposed water works and sewerage project.

At a special meeting called to present a report on the estimated cost of the public works project, he urged representatives of the Hancock County Chamber of Commerce and other local organizations attending to return to their groups, explain what is proposed and, if they favor the proposal, join in the selling job.

He explained that while building a water works and sewerage project costs a lot of money, it is vital to the health and future of the residents and the city. The mayor pointed out that Bay St. Louis has slipped in its state municipal fire insurance rating but that the state has assured that if the proposed project is carried out the city will be able to regain its previous standing. Wayne S. Alliston, of the County Health department, said that while Bay St. Louis residents have been saving money by not having to pay for a water and sewerage project, "our health is going to start paying for it if we don't." He added "today we are floating in sewerage in Bay St. Louis."

Mayor Scaife asked those attending to report back in a couple of weeks, after their groups met, on whether or not the organizations favor the project, their opinions on it, and whether they will join the city in selling the idea.

William E. Johnson, consulting engineer from Jackson, who has been working on the engineering phase of the project since 1954, including the bond issue proposal defeated by voters in 1955, spoke on the cost of the project and methods of financing. Johnson estimated the water works to cost \$627,824 and said the total sewer project, after receipt of any federal grants, would cost Bay St. Louis an estimated \$1,635,263. The total water-sewer cost would be about \$2,263,087, excluding purchase of land for easements and other uses.

Instead of attempting to get public approval to finance the entire sewer project at one time, Johnson proposed dividing into three phases, each to be financed and completed separately. He then recommended three phase areas, north, central and south.

In the north area the cost of the sewer project would be an estimated \$29,620. This area (Cont. on Page 12.)

## Soft Drinks, Store Out For N. Central

Plans for a student store at Hancock North Central School were shelved for the time being by the county board of education Monday when Superintendent K. G. McCarty reported little response to a questionnaire to parents on sale of soft drinks there. He reported that the school's trustees had been split 2-2 on the store idea when they met with Principal Leo Rouse.

Plans for an economical two-classroom addition at Gulfview School and creation of a principal's office in an existing corridor were presented by Architect Fred Wagner. McCarty is to ask Thomas Naylor, executive secretary of the State Education Finance Commission, to come here to discuss the proposals and see if the state will go along with them. A previous design had been rejected as too costly.

Trustee Luis Necaise suggested sending Gulfview pupils to another school as one relief for overcrowding but other members took a dim view of this. Alton Keller observed the board could not afford to lose that assessment if the pupils were sent to the Bay St. Louis Municipal School System.

Supervisors Charles Lavinghouse and James Necaise were requested to furnish help to clean weekly the North Central campus. Lavinghouse took occasion to voice concern about proposed sale of the Sellers School property since that would eliminate one voting place in his beat. Both Sellers and Leetown Schools are up for sale next Saturday.

Purchase of 23 first aid kits to outfit school buses was approved on Keller's motion after Norman Hall, representative of a supply firm, explained their need and agreed to instruct bus drivers on use of the kits.

Necaise expressed concern over the volume of bus repairs, complaining that the breakdowns caused children to get home late (Cont. on Page 7.)

## Eye Industry Program Here

Steps toward making an economic and industrial survey of Hancock County were directed here on the board of supervisors met Wednesday afternoon with Edward A. Khayat, Jackson County supervisor and vice president of the National Rivers and Harbors Assn., who reported on his county's industrialization program.

He said Hancock County today is in the same position as Jackson County in 1947 when steps were taken to make the best of Pascagoula a reality and fight all factions to work together.

## for Homecoming Game

A weakened Bay High eleven clashed with their arch-rivals, Long Beach, in Stanislaus Stadium for homecoming Friday night which is expected to be the most thrilling game of the season. The teams are tied for top slot in the Gulf Coast Conference each posting a 2-0 record in conference play.

Bay High Coach Lance Lumpkin has five key men on the injured list and said Thursday it is doubtful if they will play in the crucial game which will decide who is king-pin of the conference. Injured are star fullback Bob Van Calsen, ends Milton Bernard and Larry Breland, halfback Paul Miller and reserve Larry Favre.

Lumpkin, who was head mentor at Long Beach for 12 years before coming to Bay High, said some of the Bearcats told him they would rather beat the Tigers than anyone else on the schedule and would play their hardest game of the season. "I told them, well, may the best team win but we won't be laying down and furthermore the boys will be out to avenge last year's defeat."

Last year during the regular season Long Beach defeated Bay High 7-0 but the Tigers came back in a thrilling play-off to lick the Bearcats 20-19 for the conference championship.

Lumpkin said he will have to rely a lot on reserves tomorrow night to fill in for the injured first string men. Probable starting lineup will have sophomore Morris Lizama at fullback in place of Van Calsen while Tommy Godwin will be shifted from guard to end replacing Bernard. Jimmie Sabella will fill in at guard for Godwin while Don Seauder replaces Miller at left half.

The Tigers have only lost one game in non-conference play, while Long Beach has dropped three.

FOOTBALL ROYALTY - Bay High end Milton Bernard, center, was elected by his teammates to serve as captain for Friday's homecoming game against arch-rival Long Beach High. He will escort queen Becky Perkins on the field during halftime ceremonies while Jim Mayfield, left, and Woodie Allison will escort her court, Shirley Davis and Rose Ann Thomas.

## Gourmet Foods In Negotiation For Big Order

One of Hancock County's youngest businesses is negotiating for one half million dollar order and working on a contract for another which would run to \$2 million a year.

Arthur S. Kreatschmann of Gourmet Seafoods, Inc., disclosed today that he is negotiating for national distribution of three frozen casserole products, the initial order involving \$525,000 and a contract calling for a \$2 million order a year with the same organization.

To be distributed to the nation's top restaurants and hotels are Gourmet's shrimp and crabmeat, shrimp only and crabmeat only casseroles. Kreatschmann has been conferring on the plans with Robert A. Howard, president of the National Sales Research Co. in Los Angeles who also owns New Orleans Kitchens.

## Courrage and Ladner Seek Beat 5 Seat

Leonard V. Ladner, Clermont Harbor, and Gordon A. Courrage, Lakesboro, Monday filed for the office of Beat 5 member of the Hancock County Board of Education. Deadline is Saturday.

Incumbent Mrs. C. C. McDonald is ineligible for reelection because she resides in the area now served by the Bay St. Louis Municipal Separate School District. The district was created after Mrs. McDonald's election to the county board.

## Nursing Head Speaker for Auxiliary

Mrs. Louis Hart, R.N., director of nurses at Hancock General Hospital, discussed the assistance being provided at the hospital by the women's auxiliary when the auxiliary met Monday morning at the home of Mrs. Wallace Chevis, Bayou La Croix Road. She urged the women to continue their vigilance in their jobs.

Mrs. Chevis gave the opening prayer and Miss Henrietta Mohr introduced two new members, Mrs. Joseph Kern Jr. and Mrs. H. M. Shepherd.

The hostess asked that the sewing committee be advised what other surgical wraps are necessary so it can supply them. She reported Mrs. Kern Jr. has sewed a number of wraps.

Mrs. A. P. Smith, president, announced that future meetings will be at 2 p.m. on the first Monday in the hospital's conference room unless someone desires a meeting at their home.

Refreshments were served later by Mrs. Chevis. Others attending were Mesdames J. A. Kelly Jr., A. J. Ramage Jr., Nell Gardner, Marion Oiestad, Roy I. Dennis, Lucille P. Weeks, A. C. Mercier, A. F. Partridge, James M. Robert, Mary E. Newsom, Marcel Gillis, Noah Garcia, Louis Price, H. M. Wise, Retta Cardin, Charles Poolson Jr., Belle Penrose, Adele Kuehn, C. Newton, G. ## Beta Club to Give Program for P-TA

The Bay Central Parent-Teacher Assn. will meet at 8 p.m. Tuesday in the Bay High auditorium.

In keeping with the theme of the year Building Responsible Citizens To Meet The Challenge of Our Changing World, the Beta Club will present the program including a pledge ceremony for its new members.

Mrs. George Hall, sponsor of the Beta Club which is based on leadership character and achievement, will have charge of the program.

## City Officials Attend Meets

Mayor John A. Scaffide and Postmaster Andy J. Becker are attending a two-day state-city planning conference opening today at the University of Mississippi.

Becker, in addition to being the Bay St. Louis postmaster, is a member of the City Planning Commission.

Commissioner of Utilities J. Cyril Glover is to represent the mayor at a fire prevention conference in the House of Representatives chamber of the State Capitol Friday. Gov. Ross Barnett called for the state-wide conference citing the staggering loss of lives and property to Mississippi citizens because of fire. Mayors, fire chiefs and other interested officials and citizens will attend to discuss ways and means to prevent the fire loss.

## Rush Program Conducted by Beta Rho

Beta Rho chapter of Beta Sigma Phi sorority held an open meeting for rushers Tuesday evening at the home of Mrs. Lionel Sellier.

Mrs. Sellier conducted the program during which the rushees were told the advantages and activities of the sorority. Each member gave a brief talk on the highlights of sorority life.

Rushees present were Mrs. Louis Lacher, Mrs. Donald McDonald, Mrs. Monroe Cuevas and Mrs. Royce Shiyou.

Your Poise and Charm was the topic of the cultural program

held under the guidance of Mrs. E. V. Aimes. Each member spoke and gave examples of courtesies in the home, business, social affairs and regular meetings with specific emphasis on voice, appearance, mannerisms and attitudes towards the public.

During a business session various committees reported. The social committee reported that the preferential tea will be Sunday, Oct. 23, at the home of Mrs. E. P. Larroux, sponsor and honorary member.

## Harvest Ball King, Queen To Be Picked

The Harvest Ball, sponsored annually by the American Legion auxiliary, will be held Saturday at the Legion Home with proceeds going or purchase of gifts for the hospitalized Veterans Christmas Gift Shop.

The gift shop project, sponsored by the Legion auxiliary throughout the country, enables the hospitalized veteran to remember his family at Christmas time with gifts furnished by the auxiliary.

The Cavaliers will provide music for dancing from 9 p.m. to 1 a.m., donation is \$3. per couple.

A king and queen will be selected to reign over this gala event.

Auxiliary president, Mrs. John Rutherford Jr., invites all Legion and auxiliary members and their guests to join in the fun.

## Jaycettes Aid Long Beach Unit

An extension team of the Bay St. Louis Jaycettes went to Long Beach Monday evening to help sponsor the formation of a new Jaycettes chapter.

Mrs. Frank Schmidt, chairman of the team, said they are to return in two weeks to supervise the election of officers. The team consisted of Mesdames William Breland, Michael Haas, Norton Haas Jr., John Glim and the chairman.

This is the second Jaycettes group to be sponsored by the local auxiliary. The first was in Pass Christian.

## A FRIENDLY NOTE

We hear a lot about coffee houses these days, but did you know that in Shakespeare's day the mocha mansions came in for quite a play? An advertisement dated May 19, 1657, appeared in a London paper and read thusly:

"On the backside of the old Exchange, in Bartholomew Lane, the drink called Coffee, which is a very wholesome and physical drink, having many excellent virtues, closes the orifices of the stomach, fortifies the health within, and helpeth digestion. . . It also quickens the spirits, maketh the heart lightsome, is good against eyecores, coughs, colds, rhumes, consumption, dropsie, gout, scurvy, King's evil and many others. It is to be sold both in the morning, and at three of the clock in the afternoon."

A Kemier, La., man was Hancock County's eighth traffic fatality of the year. Claude M. Perkins, 30, was drowned Sunday when his car plunged through the Kila bridge over the Jordan River, ripping off about 40 feet of bridge before hitting the water. Deputy Sheriff Robert Coleman said evidence at the scene indicated he was traveling at a high rate of speed when the accident occurred.

We are going to be a bit more restrained in telling of MERCHANT'S INSURANCE AGENCY, where you can expect complete advice on any insurance problem. We write all types of coverage (except life) and it is our aim to carefully tailor the proper coverage to the client's exact needs. # FRIDAY! THE GREATEST SIXTY-ONEDERFUL CHEVROLET

Here's the car that reads you loud and clear—the new-size, you-size '61 Chevrolet. We started out by trimming the outside size a bit (to give you extra inches of clearance for parking and maneuvering) but inside we left you a full measure of Chevy comfort. Door openings are as much as 6 inches wider to give feet, knees, and elbows the undisputed right of way. And the new easy-chair seats are as much as 14% higher—just right for seeing, just right for sitting.

Once you've settled inside you'll have high and wide praises for Chevrolet's spacious new dimensions (in the Sport Coupes, for example, head room has been upped as much as 2 inches, and there's more leg room, too—front and rear). Chevy's new trunk is something else that will please you hugely—what with its deep-well shape and bumper-level loading it holds things you've never been able to get in a trunk before.

Yet, generously endowed as this car is with spaciousness and clean-etched elegance, it holds steadfastly to all the thrifty, dependable virtues Chevrolet buyers have come to take for granted. Your dealer's the man to see for all the details.

There's never been a trunk like it before! The floor's recessed more than half a foot and the loading height is as much as 10½ inches lower.

### Flattop HD Club Names Nominators

Mrs. R. R. Jones Jr., Mrs. Lovell Johnson and Mrs. D. Mollere were appointed to the nominating committee for the Flattop Home Demonstration Club when it met Sept. 29 at the home of Mrs. James Fargason. They are to present their report next month when new officers will be elected.

Mrs. W. A. Gasper, president, presided and read the thought for the month, The City of Happiness Located in the State of Mind. The hostess read the home demonstration creed after which the club sang Home Sweet Home. Members answered the roll call by Mrs. Paul Bounds, secretary, with What I Treasure Most in My Home. Mrs. Maude Wheat reported on the club's picnic in August and Mrs. Fargason gave the treasurer's report.

Mrs. M. G. Eccles presented a report on the last council meeting on program planning Sept. 22 and Mrs. Marcella Hughes, home agent, distributed home-makers records. She then gave the educational topic on teenage nutrition and a demonstration on dried arrangements with which Mrs. Eccles and Mrs. Fargason assisted.

Others present were Mesdames V. G. Cade, D. Cuevas, O. J. Gelpi, W. Hudson, Iva Knight, Jeff Lee, C. Mitchell, H. Mitchell, C. Page, P. Slay and guests, Mesdames C. White and Lillian Jones.

### Letters to the Editor

(Cont. from Page 2)

Surveys show that 40,000 families along Donna's path had storm losses. 15,000 of these will turn to Red Cross for rehabilitation aid. Red Cross has 200 special staff disaster experts assisting the various local Red Cross chapters in the stricken area, giving emergency help and rehabilitation assistance. Three Red Cross feeding centers had served 60,575 meals up to Saturday 17th. Whether the disaster victims affected live in the bettered Keys, the inundated Everglades, or the wind-smashed agricultural and Gulf coastal areas, Red Cross relief workers will be staying on the job until all disaster caused needs are met.

General Alfred M. Gruenther - American Red Cross expects to expend approximately \$3,500,000 to help families hit by Donna, assistance to Florida victims of hurricane Donna may cost in excess of \$2,000,000 on the basis of preliminary surveys. 80 per cent of this amount will be needed to provide long-term recovery assistance for disaster sufferers as an outright gift on an individual family basis. Recovery assistance is given to help meet verified disaster caused needs for repair or rebuilding of owner occupied homes, essential home furnishings, temporary maintenance, medical and nursing care, and replacement of occupational tools and equipment where needed for family livelihood.

Funds are urgently needed by the Red Cross to carry out their accepted obligations, we are not making a door to door, canvass for funds, we will be very grateful for contributions from the citizens of this county.

Remember how fortunate we are that disaster did not strike here, we could have been almost wiped out as were some communities in the Florida Keys, also remember that if disaster should strike here Red Cross will be on the job to serve you. While Ethel did not strike here Red Cross sheltered and fed about 150 in shelters in the Bay-Waveland area.

MR. AND MRS. KENNETH FUCH

## Garcia-Fuch Vows Said In St. Clare's Ceremony

The marriage of Miss Norma Garcia daughter of Mr. and Mrs. Noah Garcia of Bayou La Boute, and Kemy Fuch, son of Mr. and Mrs. Vladimir Fuch sr., of Lakeshore, was solemnized Sunday, in St. John's Catholic Church, in Lakeshore.

The Rev. Casius Hayes officiated.

The church was beautifully decorated with white gladioli, fern and white tapers. The bride given in marriage by her father, wore a stunning full length gown of white satin and chantilly lace. Her full length veil fell from a band of seed pearls. The bride carried a pair of white prayer beads, a white prayer book and one beautiful white orchid.

Her sister, Mrs. Marvin Ladner, of Bayou La Boute, her only attendant, was attired in a full length lavender nylon and lace dress with matching accessories. Stanley Fuch, of Long Beach, Calif., was his brother's best man. The nuptial music was played by Mrs. Stanley Fuch. Immediately following the ceremony a reception was held in the Lakeshore Civic Center.

The bride's table was covered with a white embroidered linen cloth, centered with a four tiered wedding cake flanked with an arrangement of tube roses and ferns.

Among the out-of-town guests were Mr. and Mrs. Leon Lohman and son Larry, Irvin Garcia, Waveland.

(Cont. from Page 1.)

Dawson roughly estimated the cost at between \$150 and \$200 thousand.

Alderman Anthony Bourgeois proposal for raising the wage scale of laborers from \$1 to \$1.25 an hour failed when Alderman Sonier charged Bourgeois for making the suggestion after approval of the budget. To raise the scale now some laborers would have to be laid off to stay within the labor allocation in the budget, he said. The mayor remarked he'd rather provide jobs for more men at \$1 an hour than jobs for fewer men at \$1.25 an hour.

Seven town employees sat through the meeting awaiting the hoped for increase.

Alderman Sonier called for detailed report at the next meeting on the cost of the Town Hall ground beautification project.

Council approved \$125 for beautification work.

Three bids for a pickup truck for which council had advertised were returned unopened when the aldermen found the body size of the truck wanted had not been specified. The secretary was instructed to get the proper size information and readvertise for bids.

Alderman Sonier called for rigid enforcement of meter regulations. He said in some cases several apartments are being operated from a single meter, and as a result the town is being charged out of the minimum charge for each apartment. It was ordered that notices be issued giving residents a specified time in which to apply for and have separate meters installed, after which gas is to be cut off in case of noncompliance.

## SJA Parents Club Completes Supper Plans at Meeting

Final plans for the spaghetti supper of the St. Joseph Academy Parents Club were completed when the club met Tuesday afternoon in the dining hall of the convent with Mrs. R. G. Hubbard Jr., first vice president, in the chair.

The supper will be next Thursday evening at the Knights of Columbus Hall and Mrs. Curtis Mathers, chairman, discussed details with her committee.

Mrs. H. W. Griffin was appointed recording secretary to succeed Mrs. William Lamb who resigned.

Mrs. John Benigno, chairman, and Mrs. Emile Manieri, co-chairman of the membership committee urged all parents who have not yet joined to send in their dues promptly.

The room count prize went to Mrs. W. Jackson's class while Mrs. C. Jefferson won the attendance prize. Hostesses for the session were Mesdames John Munch, James Arnold and Frank Kiefer.

## Births

Mr. and Mrs. Wallace Burns of New Orleans, a son, David Charles, born Oct. 3 at Hotel Dieu. The mother is the former Miss Jo Ann Blanchard, of Bay St. Louis.

Mr. and Mrs. Claude S. Green, a daughter, Claudette Ann, born Sept. 23 at Hancock General Hospital weighing 10 1/2 pounds. She is their seventh child and third daughter. Mrs. Alma Schindler is the maternal grandmother and Lacy Green is the paternal grandfather.

Mr. and Mrs. August E. Oliver, a son, August Jr., born Sept. 28 at Hancock General Hospital.

Mr. and Mrs. Jake Morreale, a son, Jake Anthony Jr., born Sept. 28 at Hancock General Hospital.

## Miss Jeannette Monti Is Betrothed to Paul Kimball

Announcement is made this week of the engagement of Miss Jeannette Ada Monti, daughter of Mr. and Mrs. Henry Monti of Bay St. Louis, to Monroe Joseph Kimball, son of Mr. and Mrs. John Kimball of Pass Christian.

The wedding will be an event of Nov. 5 at 10 a.m. at Our Lady of the Gulf Catholic Church, followed by a reception at Bay-Waveland Yacht Club.

The bride-elect is a 1955 graduate of St. Joseph Academy and attended Mississippi State College for Women. She was on the faculty at SJA for three years and until recently was associated with an oil firm in New Orleans.

Her fiancé was graduated from Pass High School in 1954 and served four years in the Air Force. He is now in the insurance business in Pass Christian.

Miss Monti has asked her sister, Miss Faye Monti, to be maid of honor at the wedding. Attendants will be Mrs. Henry Monti Jr., Mrs. Paul James of New Orleans and Miss Gaydell Cue. Little Nancy Kim Merritt will be flower girl.

Mr. Kimball will have his brother, John Kimball Jr., as best man while groomsmen will be Henry Monti Jr., Wallace Faragut and Robert Purchner of Pass Christian. Ushering will be Leroy Wesovich and Gordon Scoper, both of Pass Christian.

Premarital entertaining already has commenced for the young couple, Mr. and Mrs. Paul James being hosts at a dinner in their honor in New Orleans last month. Miss Monti will be feted at a shower Saturday afternoon given by Mrs. Anthony Pitalo Jr. and Miss Cue at the former's home while Mesdames A. J. Monti Jr. and Eugene Monti will entertain for her Oct. 23 at the residence of the former.

MISS JEANNETTE MONTI

## Surprise Party Fetes Mrs. Ladner

Mrs. Lawrence Ladner was feted at a surprise birthday party Sunday at her home given by her mother, Mrs. W. C. Carver, and her sister-in-law, Mrs. Rayburn Carver.

Cake and punch were served to the guests who were Mrs. G. C. Smith of Vicksburg, Tex.; Mrs. Odis Welch, Mrs. Dora Dorman of Orange, Tex.; Mr. and Mrs. Ralph Ladner and Mr. and Mrs. Chris Ladner and family, both of Lakeshore; Mr. and Mrs. Ed Ladner of Ansley, Mrs. Skeet Starita, Mrs. Eunice Boudin, Nellius Favre, Mr. and Mrs. Raymond Carver and family, Walker Carver, Mr. and Mrs. Claiborne Ladner, all of Bay St. Louis; Mrs. Ory Bourgeois and Mrs. Pat Toomey, both of Waveland, and the honoree's family.

## NOW! FOR LIMITED TIME ONLY

Burial Estates at PRE-DEVELOPMENT PRICE

In Beautiful Garden of Memories

Perpetual Care Memorial Park

At the time of the dedication and opening of the Garden of Memories Cemetery in June of 1956 the price was \$250.00 for a four grave lot. At that time we advertised that each year the price would be advanced until the price would be six hundred dollars.

The Pre-Need Price today is \$400.00; The At-Need Price is \$500.00. This is fair and reasonable because those who buy Pre-Need Make the Park possible. Those who buy At-Need are using something provided by the foresight and public spirit of others.

That the six hundred dollar price is not unreasonable is evidence by other Parks from New Orleans to Tampa where the lot price is much higher. At that final price the per grave price will be \$150.00. Three per cent (3%) interest on this amount is \$4.50. Can you keep a grave trimmed and neat, grass cut, flowers planted and have an attendant on the property every week day for \$4.50 per year. But that is what you acquire with a Perpetual Care lot in the Garden of Memories Cemetery.

AND NOW YOU CAN BUY PROPERTY AT PRE DEVELOPMENT PRICES

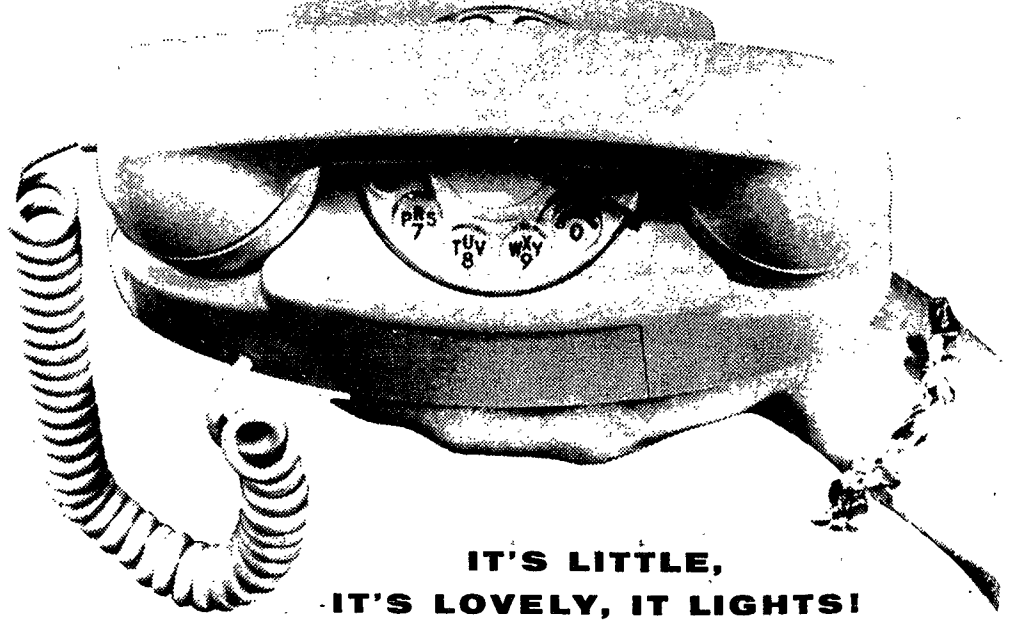

For a limited time only you may acquire property in Section C for \$250.00 (and your Credit Certificates may be used as down payment) with the understanding that you may have full credit for what you have paid in on property in Sections A and F (present developed sections.) Or you may, in the event of need, use the property in Section C with the promise from us that the section will be developed within the next three years, just as Sections A and F are and in the interim the property you purchase will be kept trimmed in the event of use before the entire section is developed.

This offer is for a limited time only. If you are interested call Mrs. Edwina Maggabag at HO 7-4318 and arrange an appointment at the Park where you may see the property and have this offer fully explained to you.

# Revenue Hike Seen Off Oyster Dredging

Mississippi Marine Conservation Commission was told Monday of an anticipated huge hike in revenue from the shell dredging contract that will help to enable a vast expansion of the commission's patrolling services.

Commissioner Joseph Colson of Waveland has announced plans for the expansion of activities along the Gulf Coast since the commission's designation as a civil defense unit.

He said that as a CD unit the commission will be able to get Miss. Greys...

ber of commerce. Plaques will be awarded chambers completing one or more of a series of 10 community development and improvement projects in a period of three years. He is to study the program and present a proposal at the next board meeting on how the Hancock chamber should participate.

He said he will call a meeting of all Bay St. Louis organizations since some such organizations will be invited to co-sponsor some of the projects. One example given is the garden club and a beautification project.

A committee was also appointed to study the possibility of compiling and publishing a new Hancock County brochure to be distributed to persons or firms expressing interest in this county. Named were Robert Hamilton, Ray Gordon and Carver. It is to report at the next meeting. Mrs. John Green, chamber secretary, has pointed out that the old brochure is now somewhat obsolete with the changes and new developments in the past few years.

The chamber also voted to change the time of its meetings from 7:30 p.m. back to 5:30 p.m. as previously held. Meetings are held the first Monday of the month unless the Monday falls on a holiday.

considerable defense surplus equipment and that he hopes to get a patrol boat specifically for the Bay-Waveland area.

At a meeting Monday evening it was reported that Jahncke Service, Inc., the company awarded the shell dredging contract recently, has voluntarily raised the minimum guaranteed revenue from \$16,000 to \$30,000 a year. Colson said the firm has said the revenue will probably reach \$100 to \$125 thousand and a year with a recent increase in demands for the shells for road and other foundation work under a state contract.

The company now has a 250,000 cubic yards per year dredging minimum under its 10-year contract. The commission controls where the dredging is to be done so that keys and other fishing spots will be protected. Colson said most of the dead reef shell dredging will be done out in the sound away from this area.

However, the revenue will help the commission expand its services to serve this area as well as the rest of the coast. \$9,000 a month in salaries and boat expenses.

The commission Monday extended the season for shrimping for bait dealers up to the highway bridge. Previously the season had been extended to Oct. 1 to the railroad bridge. Bait boats must be marked as such on both sides with 18-inch letters. Permits must be secured from the commission.

Colson said the oyster reefs have been tested and are in an excellent condition. He said there is quite a bit of spawning in the reefs in this area.

The next meeting of the commission will be Oct. 17.

## Rummage Sale Set

A rummage sale will be conducted Oct. 20-22 at Main Street Methodist Church by the night circle of the Woman's Society for Christian Service.

Plans for the event were made when the circle met Tuesday at the home of Mrs. Wayne Allison with 12 members and Mrs. Nell Gardner of Mobile present. Speaker was Mrs. J. W. Clark whose topic was Into All the World Together.

## Beat 5 Seat

(Cont. from Page 1.)

Both Courtege and Ladner were unsuccessful candidates in the nine man race for the Beat 5 Board of Supervisor post last year when incumbent R. G. Hubbard, president of the board, was reelected. Both men were employed by the Louisville and Nashville Railroad and Courtege still is, being clerk-operator at the Bay St. Louis station. Since leaving the railroad's employment, Ladner has served as deputy sheriff under Sheriff Sylvan Ladner.

# Deaths

## Mrs. Willis Cook

Funeral services for Mrs. Willis Cook, 65, of Waveland, were Tuesday with religious services in St. Clare's Catholic Church in Waveland.

The former Miss Ruth Roberts, died Monday at 2:40 a.m. in Hancock General Hospital. Mrs. Cook was married first to the late Jeff Yarborough and later to the late Willis Cook.

Interment was in Waveland Cemetery. Pallbearers were grandsons Frank Noto, Lawrence Noto, Frank Voss, Peter Noto, Henry Villere and William Carr.

Surviving are four daughters, Mrs. P. Noto, Mrs. Leona Noto and Mrs. Ben Morreale, all of Waveland, and Mrs. Anthony Gambino of New Orleans; four sons, Walter, Herman, Norbert and Claude Yarborough, all of Waveland; a stepson, Edward Cook of Waveland; a stepdaughter, Mrs. Bill Textor of New Orleans; 30 grandchildren and 10 great grandchildren.

## Prisoner Dies

Roosevelt Faye died in Hancock County jail Sunday night. Coroner Emile Piazza said that death was due to a heart attack.

Faye was arrested about three weeks ago by the Highway Patrol in a car with several others. Judge C. W. Bronson charged him with drunken driving and he paid his fine with a bad check.

He was picked up again Oct. 1 on the bad check charge and was jailed. Sheriff Price said that Faye appeared to be in good health until about 9 p.m. Sunday when he pushed the buzzer which is connected with the sheriff's office.

could not obtain the necessary right-of-way a previous order granting privilege of laying gas pipe along Mulatto Bayou Road was rescinded and approval given to lay the pipe along the Old Telegraph Road.

Area Forester Marion Parker requested the board to pay \$965.50 for planting of 200,000 seedlings in Section 16, T. 9, S. R. 15 W. which was approved, \$1,000 to be transferred from the 16th Section principal fund to the forestry fund.

Rental or purchase of necessary fire extinguishers for the sheriff's patrol cars, truck shed and other buildings was approved.

Abandonment of certain roads in the Kiln vicinity that had never been opened or used or used was approved at the request of J. Roland Weston who presented plats of the subdivision involved.

THURSDAY'S CLOUDBURST - Heavy rains Wednesday night and today were too much for the city's drainage system. Pictured is Railroad Avenue west of Washington Avenue.

## Registration Deadline Past, Attorney Rules

Mississippi Attorney General Joe T. Patterson has reaffirmed July 8 as the deadline for voter registration in the coming presidential election.

In answer to a letter from Circuit Clerk Lamar Otis who has received many inquiries about the registration procedure for the Nov. 8 election, Patterson said further that Sec. 241 of the constitution of 1890, requires payment of poll tax on or before Feb. 1 of the year in which the individual offers to vote. He must have receipts for the two preceding years.

Poll tax for the past two years may have been paid in 1960 and one may still vote in the general election, however the tax should be paid before Feb. 1, Patterson continued.

## New Ansley Well Comes In Good

Flow of 575,000 cubic feet of gas and 160 barrels of oil from perforations at 10,779-806 and 10,835-44 feet was recorded from the new well at Ansley Field, an informed source said.

It is the Shallow Oil Co. No. 1 International - Alexander, Sec. 35-9S-16W. Flow was on 16 64 inch choke with tubing pressure 390 pounds. Fluid was cut with 40 per cent basic sediment and water. Tanks are being erected before running final potential gauge.

## Buy Auto Tags At Home, Price Warns

Sheriff Gerald V. Price said today that persons residing and earning their living in Hancock County and who purchase out-of-state license tags would be arrested. "There will be no exceptions," he added.

This, of course, does not apply to persons working for an out-of-state firm and driving a company-owned vehicle with the firm's name on it, he said.

The law requires that persons who apply for home-stead exemptions also buy their auto licenses in the same county or forfeit the exemption.

Deadline for new tags is Oct. 31. Sheriff Price said at present time about 300 tags had been sold since they went on sale Saturday.

## School Board

and extra help had been provided during the summer to get the buses fixed. McCarty replied there had only been four breakdowns in the last 30 days.

Concern also was voiced over the extended illnesses of Board President Charles Murphy and Trustee S. P. Powell which had left the board with only three members to transact business. Should one of them be absent now, there would not be a quorum.

# City Echoes...

Mr. and Mrs. Sylvester Loiscano of Carson City, Nev., arrived Tuesday to visit his sister, Mrs. Carmelita Saucier, until Saturday when they expect to continue East, visiting in Pennsylvania and New Jersey.

Mr. and Mrs. Walter Mead entertained at a luncheon at a coast restaurant last week in compliment to Mrs. Alfred Stern of Pass Christian who was guest speaker at the September meeting of the National Assn. of Retired Civil Service Employees. Mrs. Mead formerly was executive chairman for the group's auxiliary.

County students enrolled this session at Gulf Park College include Miss Nancy Gray, daughter of Mr. and Mrs. J. M. Gray of Bay St. Louis, and Miss Lynne Hall, daughter of Mr. and Mrs. Norman Hall of Waveland.

Hostesses for the open house Sunday at the new Our Lady of the Gulf Parish School were Mesdames Ivan Bradford, chairman, Don Ruhr, Curtis Matherne, Lawrence Jacob, O. J. Mollere, James DeBlanc, Maurice Artigue, H. W. Griffin, John Scianna, Teddy Stechmann and Gerard Freeman.

Mrs. Alma Quintini who has been quite ill is reported improving at Hancock General Hospital.

Mr. and Mrs. Floyd Hoda, who have been renting on Dunbar Avenue since moving here recently from New Orleans, are now residing at their new home at 123 Hancock Ave.

Henry Carver, is reportedly doing well following surgery in Gulfport Memorial Hospital.

Wayne Sutton and Catherine Allison, son and daughter of Mr. and Mrs. Wayne Allison, were home from Mississippi Southern for the weekend.

Mr. and Mrs. H. D. Finlay left the board with only three members to transact business. Should one of them be absent now, there would not be a quorum.

## PROCLAMATION

DESIGNATING THE WEEK OF OCTOBER 8th 1960 AS EMERGENCIES DON'T WAIT WEEK

WHEREAS, each year more than 4,000,000 Americans of all ages are killed or severely injured by accidents in the home, and WHEREAS, the fatalities may frequently be prevented with prompt attention and proper First-Aid treatment, and WHEREAS, effective First-Aid can only be administered if the essential equipment is available, and WHEREAS, it is the duty of every citizen to contribute to his own and family's safety, by being fully prepared to deal with these home accidents, and WHEREAS, these emergencies do not wait for the home to be prepared to meet them;

I, John A. Scafile, by the authority vested in me by virtue of my office, do hereby proclaim the week of October 8th 1960, to be

EMERGENCIES DON'T WAIT WEEK

and respectfully urge all citizens of Bay St. Louis not only to take note of the importance of First-Aid practices, but to replenish their supplies with essential items commonly used in First-Aid emergencies, since recognizing and being able to administer First-Aid promptly can contribute to the well-being of every citizen of our City and of the Nation, as a whole.

In witness whereof I have hereunto set my hand and caused the seal of the City of Bay St. Louis to be affixed, this 3rd day of October in The Year of Our Lord, One Thousand nine hundred and sixty.

JOHN A. SCAFILE, MAYOR  
City of Bay St. Louis, Mississippi.

The dinner chairman, Mrs. T.A. McAuley, has released the menu as follows: broiled chicken, parsley potatoes, seasonal vegetables, tossed salad, hot rolls, pineapple upsidedown cupcakes and coffee.

## Waveland Proposes Ball Park

Waveland may have its own softball diamond ready for operation when the 1961 season opens. At least, that is the plan of Mayor Garfield Ladner and the Board of Aldermen. At present much depends on the answer to a letter and picture mailed to the division engineer of the Louisville and Nashville railroad by the mayor and aldermen.

The proposed site is Elwood Memorial Park at the corner of Central and Waveland Avenues. The letter contains a request for permission to cut five trees to allow room for the playing field. The ground is leased from the L & N, consequently they must agree to the removal of the trees.

One of the most frequent complaints about Waveland has been the lack of organized recreational facilities for teenagers. Alderman Dominick Sonier, pointing out that the diamond would do much to alleviate this problem, has interviewed local businessmen and said he has found them to view the idea favorably.

**HAWKS** — Coach Truman Schultz has been working the North Central football squad every afternoon for their game Friday against Harrison Central at Long Beach. The team has improved in every game and will be out to win this one.

**HAWK CHEERLEADERS** — These girls will lead North Central's cheering section during their game against Harrison Central Friday at Long Beach.

## Miller Stars for Tigers

Sparked by Paul Miller who intercepted one pass and completed another two touchdowns, Bay High's Tigers continued their football victory march rolling over Harrison Central 26-0 Thursday night at Long Beach.

Miller got his team off to a good start early in the first quarter when he intercepted a Rebel pass and pounded 50 yards to pay dirt for the first tally. The try for extra point was no good and the score remained 6-0 at the end of the half.

In the third quarter quarterback Ronnie Peterson hit Miller with a bullet pass that was good for 30 yards and another TD, fullback Glenn Blalze going over right guard for the extra point.

Donnie Saucier intercepted another Rebel pass on Bay High's 35 and ran it to Central's 30 to set up a TD drive in the final quarter. Halfback Lester LaFrance ran it over from the 10 and Gregory Necaise kicked the extra point. Mark Wilkinson ended the scoring in the final seconds of the game taking a 30-yard pass from Peterson. The LaFrance was high with a punt of 109 net yards. Peterson got 81 and Glenn Glantz 40. He also completed 3 out of 9 passes for 63 yards.

## Mrs. Merritt Close Behind Riggan Leads Tourney

Mrs. Grady Riggan holds a one stroke lead as the 36-hole women's medal play handicap tournament at Pass Christian Isles Golf Club enters its final round this weekend.

Mrs. Riggan posted a net of 69 for the first 18 holes last week to take a slim stroke lead over Mrs. Dick Merritt, in with a net 70.

Prizes in the third annual Mid-Season tournament will be awarded at the conclusion of play at 6 p.m. Sunday. A social

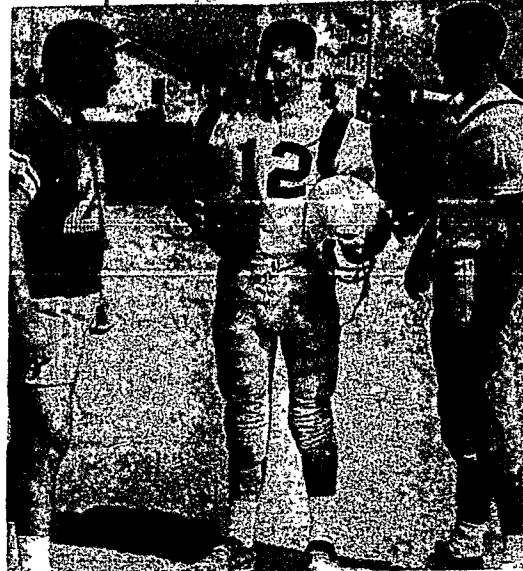

### Girl Scout Leaders Training Started

A Girl Scout Leadership Training Course for interested Hancock Countyans has started at the scout hut in Gulfport. Class hours are 9 a.m. to 11 p.m. each Tuesday and Thursday during October.

For transportation from Hancock County to class interested persons should contact Mrs. J. W. Clark at HO7-5906.

Bay High made 8 first downs to Central's 7; 245 yards rushing to Central's 122; 63 yards passing to Central's 66; punt average 37 yards to Central's 33; punt returns 5 for 54 yards to Central's 2 for 33; kickoff returns 1 for 59 yards to Central's for 44.

Score by quarters:  
H. Central 0 0 0 0  
Bay High 6 0 7 13 26

**HAWK QUARTERBACKS** — North Central Coach Truman Schultz instructs his two quarterbacks whom he will be depending upon to lead the team Friday night against Harrison Central at Long Beach. They are Albert Wickton, No. 12 and Darryl Ladner No. 10.

### But Lose, 13-0.

## Hawks Look Better

Although North Central's Hawks lost to Vancleave 13-0 Friday night at VanCleave they showed remarkable improvement and were out in front statistically.

The Hawks played a hard, gruelling game gaining 280 yards to Vancleave's 167, fullback Douglas Necaise accounting for 109 to spark his teammates and take high gaining honors for the night.

The Bulldogs were held scoreless in the first half but the Hawks tired in the third period and the Dogs tallied in both final quarters. The first score was set up when North Central fumbled. James Necaise received a punt on the Hawk 14 and was hit hard by Bulldog end Henry Earl Tanner, jarring the football loose and Tanner recovered. The second touchdown came when Fleming, on a play from scrimmage, broke through the line and went 82 yards to the one-yard line.

Hawk Coach Truman Schultz said "I think the boys played well. They showed a lot of improvement but have to improve their work as a team. They outplayed Vancleave but they need more experience and practice time. Also, they need more time to work and get into condition."

Score by quarters:  
Vancleave 0 0 6 7 13  
N. Central 0 0 0 0 0

puts with 12.

A business meeting is scheduled at next Tuesday's luncheon when officers for the 1961 women's state amateur, to be played at PCI next spring, will be chosen.

## Kennedy Coffee Is Postponed

Because of the serious illness of the mother of Mrs. Joseph Kennedy, mother of Democratic Presidential Nominee John Kennedy, the coffee planned in her honor by Democratic women along the Gulf Coast next week in Biloxi has been postponed.

Mrs. John Green, Hancock County chairman for the event, said she was notified this morning of the change in plans. The committee had endeavored to get Mrs. Lyndon Johnson, wife of the vice presidential nominee, to substitute but she had prior commitments.

## Shoulda Gone Fishin'

BY EDDIE ENGELHORN

Although the fall fishing season has not begun in earnest, fishing has been fairly good in nearly all spots. Some excellent catches were made in the marshes and other places produced by the Bayou, Three Oaks, Pearl and Jordan Rivers, Campbell's Bayou and the Bay of St. Louis. Speckled trout are beginning to show up and trolling should pick up when the weather cools. Quite a few shiner lights can be seen in the Bay nightly and we can expect a few are being speared.

It is still early for the hunting season but a number of seasoned hunters have been stalking the woods but with only a little success. Hunters are hard to spot until the summer foliage is gone. We have a report of one hunter's dog being shot, apparently by accident and it is a good time to remind hunters to exercise all possible caution with firearms.

### It's Fire Prevention Week

Another timely reminder for hunters was brought in by Hugh H. of the U. S. Soil Conservation Service who told us that President Eisenhower has designated Oct. 9-16 as National Fire Prevention Week. Farm property losses from fire last year were about \$175 million, he said, which is quite a figure. Hunters know they have to be friendly with farmers if they want to hunt in the place spots so it is good sense to use the necessary precautions when lighting cigarettes or cooking fires.

George A. Wedemeyer of Dantagnan Realty was proudly displaying a 67½-pound drum caught in a deep hole in Blind Rigolets last week until he tried to give it away — even the fish market.

WOW! — Linda Wedemeyer, 10, admires the 67-pound drum daddy George caught last week.

wouldn't take it. He also caught two flounder and one speck by himself on dead shrimp. Also caught 123 trout and four rat reds off Grassy Point in the Bay in three days.

A successful fishing trip up the Jordan was enjoyed Saturday by Mr. and Mrs. David Burch and Mr. and Mrs. Hugh Sanford. They caught 20 nice perch and a few trout which they cooked and ate on their boat.

Dill Luchich and his uncle had a close shave Saturday. They were out squirrel hunting and let their dog out of the car but before they could load their guns someone shot the dog.

Also hunting squirrel during the weekend was Clarence Batey of Batey's Garage.

Leroy Luke and Albert Grass brought home a mess of fish Sunday.

Buddy Nichols had two strings of specks last week caught off the railroad bridge that he was trying to bring to a friend and had a hard time getting them there. — everybody he passed on the street wanted to buy them.

Ray Kidd is weathering a streak of bad luck, seems if he goes out front he finds out they are biting up the river and vice versa. Having seen some of Ray's catches in recent years we know it is only temporary.

### Really a Compliment

One of the nicest compliments we ever received was a complaint. An unidentified man called last week and complained that our column was always printed on the other side of a 100-stamp coupon and by the time he got home from work his wife had already clipped the coupon — and part of the column.

Uncle John Green and Tebu Fayard were seen returning from a trip to Heron Bay Tuesday night. They had a good half-hamper of specks but were moaning that they weren't biting fast enough. Just can't please everybody.

Rufus Luchich and Jerome Carver got a good catch of specks Sunday out of Bayou Caddy.

### Mrs. Doerflein's Strike

We regret we misplaced this note last week. Mrs. Leon Doerflein of the used furniture store on the Beach went on the railroad bridge Wednesday morning about 9:30 and caught five good specks.

### Cedar Point 4-Hers Meet at Ling Home

Cedar Point 4-H Club welcomed a new member, Pat Goodell when it met Tuesday in Millie Ling's home.

The meeting was conducted by Kathleen Schaefer with the assistance of Mrs. R. B. Merriam.

Ann Byret led the club in a 4-H song, Millie Ling and Kathleen Kearney served refreshments.

The next meeting will be Nov. 8 with Cynthia Kimmel.

### 2 City Projects...

(Cont. from Page 1.)  
would be generally north of Melody Lane. The central area project would cost \$971,233 and the south area project \$634,410. The central-south boundary is Booker Street west of Necaise Avenue and Washington Street east of Necaise.

Mayor Scaife said he would recommend that the central phase be done first since it has the business area and schools including St. Stanislaus College and St. Joseph Academy. However, he said City Commission Council will act according to public opinion in selecting the first phase.

Johnson said he has studied financing of the project on a 25-year basis. The sources of revenue he estimates are:

1. Water fees — he recommends the water rate be set at 4,000 gallons for \$2 a month. On this basis and after deducting costs of operation and maintenance \$440,300 would be left for the retirement of bonds.

2. Sewerage — the engineer recommends that property owners or tenants in the first phase area and later in the other two areas be charged an additional 50 per cent of their water bill each month for sewerage service. The central area would bring in an estimated \$130,610 after operation and maintenance costs are deducted.

3. Gas Surplus — Mayor Scaife said gas surplus funds to the extent of over \$5,000 a year could be allocated to the project giving a minimum of \$125,000 over the 25 years.

4. Sales tax — Johnson said an additional one-half cent increase in the sales tax could provide \$61,774 for the water works project and \$387,106 for the sewer project. This would have to be approved by voters.

5. Special assessment — the engineer said that still \$453,507 more would be needed to complete the first phase of the sewer project. He recommended a special frontage assessment. On the basis of an estimated 125,350 feet of frontage in the city he said an assessment of \$3.12 per foot would provide the balance.

Mayor Scaife pointed out that property owners would have 10 years to pay the total bill for their property. He explained that, for example, if a resident has a 100 foot frontage his bill would be \$312. This total could be paid in 90 days without interest or over 10 years plus interest.

The public is being urged to express its opinion on these proposals before formal presentation to voters. Authority to issue the bonds and raise the sales tax would be sought at the polls and a public hearing would be held should the special assessment proposal be decided on by Commission Council.

A brochure is being prepared to give the public details about what is proposed, the costs and suggested financing procedures.

## Voters League Coffee Friday

A fellowship coffee for both active and sustaining members of the League of Women Voters of Hancock County is planned from 11 a.m. to 1 p.m. Friday at the home of Mrs. Fred Wagner on Duane Street, Mrs. Don Prentice is chairman for the occasion.

Meanwhile, league members are busy with plans to increase voter participation in the presidential election next month. Arrangements are being made to provide transportation to the polls and the league urges those with questions about voting to clarify matters with the clerk of courts well in advance of Nov. 8.

To date, no reply has been received from Charles Sullivan, a leader in the independent elector movement, who was invited to address a public meeting scheduled by the local league. On the recreational front, the bowling team has been assigned practice time from 1 to 3 p.m. on Tuesdays and another unit is planned from 9:30 to 11:30 a.m. on a day to be selected. Members interested in participating at either hour are asked to call Mrs. Otis Winnard, president, at HO 7-4444. Teams must be registered by Oct. 12.
